

BRYAN UNIVERSITY

Yes, the school bell will be ringing soon for the Bryan family. In just a few short days the halls at Bryan will be full of excitement as an eager class of freshmen start their college work at Bryan. And then after that day of freshman placement tests and the social hour in the evening, the upper classmen will start coming. For all of those gathered on Bryan Hill it will be the beginning of another year of blessed fellowship in the Lord. Prospects are for both girls' dormitories being filled and the apartments for married couples filled--the men will still be in the minority in the student body.

For those who have walked the halls at Bryan in other years, this will serve to remind you of the times of joy in chapel services, hikes, the class room, working at various jobs, the prayer room, banquets, and many other activities which might be mentioned. Do pray with us that the Lord will give us a good year and profitable spiritually for all those who are part of the family this year. The ones who have been enroiled at Bryan and also those of the staff who are serving the Lord in other fields are continually in our thoughts and prayers. Won't you pray for us too?

Freshman placement tests--Sept. 18.
Registration -- Sept. 19 and 20.
Classes begin -- Sept. 21.

"Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the Word of truth." II Tim. 2:15.

After a summer filled with blessing with the girls' quartet, Miss Peck is relaxing and preparing to come back to Bryan. She has been enjoying a visit with her parents in Elyria, Ohio.

All of the Bryan household join Mrs. Cole in sorrow over the death of our beloved Science professor, Dr. Glen Gates Cole, who went to be with the Lord in August. Dr. Cole became ill while attending a Bible conference where he was one of the speakers and died about a week later in a hospital in Millersburg, Ohio. Dr. Cole had endeared himself in an unusual way to the students and staff at Bryan since his joining the University faculty in September, 1943. An evidence of the devotion was the dedication of the '45 COMMONER to Dr. Cole. Though our hearts are grieved, we rejoice in the abundant life which he lived and that he is now in the presence of the Lord Whom He loved and served so faithfully.

President and Mrs. J. A. Rudd and Mary Frances returned in August after a month's visit with their parents in Olathe, Kansas and Mosca, Colorado.

With the summer session over, Dean Ahlman is vacationing for a few days in Michigan. Miss Batson is enjoying a rest with her folks in Charlotte, Tenn.

Several of the summer family enjoyed fellowship with her at the Presbyterian Church in Sale Creek during the revival services conducted by Rev. Daniel Iverson of Miami, Fla.

Since the above, Sam was married to Anna Kottenring in a beautiful ceremony performed in the New London Baptist Church, where Anna's father is pastor.
